

9/AS/08/UEPC—Amendment to 3/15/05 UEPC/SEC Class Attendance Policy

Regularity in attending classes is assumed. The instructor of any given course sets the attendance policies. It is the student's responsibility to consult with the instructor about particular policies regarding missed class sessions and to give the instructor notice prior to any anticipated absence. The supervisors of University-sanctioned activities have an obligation to respect the importance of regular class attendance for successful academic performance and to minimize the number of such absences. Instructional faculty have an obligation to respect the importance of student participation in University-sanctioned activities and should work to assist students in meeting their academic responsibilities. The instructor will determine what arrangements, if any, are to be provided for the student to make up class work and will communicate those arrangements to the student.
