

13/AS/09/UEPC—Undergraduate Policy on Repeated Courses

1. Undergraduate students may repeat courses only if they earned grades lower than a C.
2. Course Repeats with “Grade Forgiveness” (Grade forgiveness is the circumstance in which the new grade replaces the former grade in terms of the calculation of GPA, etc.):
 - 2.a. Undergraduate students may repeat up to 16 semester-units with grade forgiveness.
 - 2.b. Undergraduate students may repeat an individual course for grade forgiveness no more than two times.
 - 2.c. Grade forgiveness shall not be applicable to courses for which the original grade was the result of a finding of academic dishonesty.
3. Course Repeats with “Grades Averaged”:

Undergraduate students may repeat up to an additional 12 semester-units, i.e., units in addition to the 16 semester-units for which grade replacement is permitted. In such instances the repeat grade shall not replace the original grade; instead both grades shall be calculated into the student’s overall grade-point average.
4. These limits apply only to undergraduate students and to units completed at CSU Stanislaus.
5. These limits apply to all courses at CSU Stanislaus except those which are specified as being “repeatable for credit.”
